

George

I dont know how to start off on this letter. But I dont want to Descriminate myself by writting it there is some things I have set down and thought about. I may have sit down to late to think about them or even to defend myself. but I ~~need~~ <sup>need</sup> to know a few answers to a few questions that could help me. or I was a indigant guy going before a Judge to get a court appointed lawyer to try and defend or help me in some ways or maybe hurt me in some ways and I dont know what is going on in so many ways and wasting my life sitting up here in this Jail letting the Court and what not take over my life. I have never heard of a case going on for 8 solid months and 3 more to go. well I have a good feeling why it is taking so long or why you say that the Trial is going to be in June or July and here it is June and there is still not a Trial date, so now there is something fishy that some one is keeping from me and I want to know what they are and probably have the right to know or may I put it this way I need or want to know when you first come to talk to me in person you said some thing that made me write this letter you said (you do know Paul that I can either have your ass from the big needle in the sky or I can save your ass from it) George I dont know what happend in my mind when you said that

but if you were my Lawyer trying to help me and  
turn around and insult me by saying something  
bad like that to me. That is something like the  
Detectives tried to tell me and use it to scare  
the hell out of me but it didn't work out the  
way they planned it. like the game with the Demon  
boxes from the East Central University I did  
not but if Jesus Christ or God told them to do  
it, but there is nothing scaring me now more  
than ever and also got my brain twisted up  
like a damn pretzill and then I am untwisted.  
Well George I was just wondering, when you first  
called, you said OK Karl we have 45 days to get  
ahead of your witnesses well something is wrong  
somewhere because I told you where they were  
living the month before I left to go live with Robert  
and Joyce Carins Emma's sister, the ones who li-  
ved in Kenaua Bruce self, Johnny Duck is his Nic-  
name hangs around with Bruce all the time and  
was at the keg party Dordon Culhoun was showing  
he moved to California for some national guards  
Deal he had to go for. he was there at the keg party  
then there's Dottie, Edwards but she's going BY Roberts  
now I think she was with me during the week that  
this was suppose to happen she always got me  
and came and got me from work at Wendys she  
was also with me the week I was getting ready

for the new job there. The Time Denny Barrette was a  
Detective him and Mike Baskens came to Jannette's house  
and talked to me and Mike Roberto he kept try-  
ing to get me to come to the Ada police Depart next  
so they could question me is what he said but I  
told him and kept telling him I had to have a  
reason to get in his car I had to be at work in  
5 minutes so he said that's ok. I just Remem-  
ber if your name is ever mentioned again he  
would hang my ass, I didn't promise Baskens I  
would come in and talk to him and Denny Barrette  
but I did say if I have time after work I would  
come talk to him. after work I wasn't thinking  
after work and forgot to talk to them and never did  
because I didn't have any reason too. I was just  
wondering who mentioned my name in the first  
place. I don't know yet but rumors told me  
that Tommy told them where I was living and to  
come talk to me so they did and that's what  
they said and talked to me about. ok another thing  
I can't understand is all the time I was living  
with Mike and Jannette they give me a Birthday  
card and said I was a mother year Mike why  
would they not testify for me as witnesses and  
turn against me all of a sudden when they heard  
about me facing these charges. something is wrong  
there too and I would like to know. another  
is why they took me out of the Court room when

They were going to listen to one of Tommy's statements and let me hear the one that was taken here there must of been something ya didn't want me to hear so that will probably help ya to sink my ass too. George some people like the Detectives think I am or have a heavy mind and I.Q but I am no Dumb ass and dont know what is going on, but there is one thing that makes me feel Dumb ass and that is why is Every Body trying to hang my ass and not thinking of helping me some time or another sooner before its too late the thing I dont understand about you being my lawyer is why havent you got ahold of some of my witnesses or looked into any thing I have told you instead of trying to put this shit off until I turn 21 then let them give me the stat of my life, that is why the Judge Jones ask me when was my birth day and how old am I now and nothing else, I dont understand what my age and birth day has any thing to do with this case, the charge papers said I am over 18 that is legal age isn't it or I may be wrong about all of this in this little letter but it seems fishy to me about what is going on that I dont know about which is alot of things I dont know about until the trial comes up and then they will let it all be my birth day present (Death penalty)

oh George the time that they said this happen that Saturday morning I think I got my hair cut from the same one who cut it now. his name is Ben I think he cut my hair at the Barber on 4<sup>th</sup> and Broadway at that Barber. I had to be at work when he was cutting my hair so when he got through I asked him if I could use his phone to call in at work at Wendys late he said to come in Monday so I did up to Detective Danny Barrette and Mike Baskens that through talking to me that morning he did let me use his phone plus I liked the way he cut my hair so I paid him with the \$5.00 that Tommy's mother gave to me then asked him if he had a card.

I could have in case I wanted to make an appointment to get my hair cut again he give me one B. please check and see if he remembers it ok. ok. Jimmy told me on the way to Anita that Jannette, daughter Mike Lindsey was coming to see him on Sundays he said she sneaks in as his sister they also have been writing each other alot. he also says she has been going over to a friend of one of the witnesses at J.P.'s and talking to he or she I don't know if this is true or not but he told me and if he tells me anything at anytime ever, I am going to tell you ok. if this what he says is true I will know then he is trying to take all my witnesses away from me and put the crime on me same like he is trying to pull me down on the murder part of

lose and slip by with just the money, kidnapping  
and be on the streets in a few years if he does  
pull me down George he will come with me  
because every thing he says about me, seems like  
he will have to prove it, I would like for you  
George to stop his schemes, and Games if you can.  
but if things turn Counter Clockwise I will know  
them too I am getting no help from anyone so  
please help me George I am innocent and I  
have rights to see it proven so. I wished I had  
the money to pay you to defend me but I am a  
guy from the streets, poor, and hunting for some-  
ones help. usually lawyers come and see their  
clients and tell them what is going on or their  
next Court Date appearance. or something of that  
sort so. George I am calling my sister in law to  
see if I can get the money to pay you, you seem  
to be a good lawyer to me but this court app-  
ointed stuff works for them but not me I think  
me instead of helps me

P.S. please get my witnesses or something George  
is all I ask.

I forgot a few more things. I have found out keeping my mouth shut isn't helping me one bit at all it's just helping ya do good on ya's side not a bit on mine. George I am getting upset and tired of the little games people are playing on me and no one to stop them, laying up here in this Solitude Cell eating, sleeping, reading, and shitting and letting someone else do all the schemes and talking games doesn't make me look like I am a dumb ass because I know what is going on I have been told by you to keep my mouth shut and play it cool like is just helping ya destroy my life that's the way people done me on the streets for 4 fucking years and I am tired of it Tommy and his friends would smoke 1 fucking joint or drink one fucking beer with me and think it made a vegetable or a dumb ass then ask me to do some thing like still some thing and think I don't know what could happen to me if someone told some alifide stories on me the damn jail house is where I would go oh this sending me to Vezmita for one day was just to try and take up more time to get closer to my 21 Birth day to prosecute this innocent guy is just a bunch of shit too bad the rest I can name off about 4 months that has went to shit and down the drain too for nothing. I am going to name alot of things that will help me and hope like hell someone helps

me before the trial comes and it's too late when it's too late there is no need for help from anyone around. George when the trial is over I would like an appeal on the case to try and help me come now ok. That Document that I signed was another trick too I read it and I know what it meant and said it said the things were true to the best of my knowledge, I don't know if the fucking shit is true or isn't but I don't care because I told them any thing like on the video tape just to get Danny Rogers out of my face and it did get him out of my face I do know this George if I get sent to prison while waiting on an appeal and never did get any help at all in the first trial there probably won't be a second chance for me. I would like to see my innocence proven but I can't do it being behind bars like this.

I dont know if this is true either but its something Tommy told me on the way to Venita, he said that the Sheriff or lady cop. I dont know but she works at the County Jail that her son told her that he remembers being at Gordons keg party and seeing me there most of the party except when we went to get a bag of pot for the party once that is me Tommy, Brian Cox I was there the rest of the night.

P.S. George I am sorry about the proposition, I used in this letter but I am tired and upset about the way things are turning out.

George

I don't know what anyone else's feelings are about the way the case is going right now and I never do know what is going on and never did I just told you on the phone that I did that was just another big lie I told you I don't know if you are helping me or not that's how much I know about this shit that is happening to me but I do know that this trial that is coming up whenever it does is someone else's trial that I don't want to go to I don't even have to go to court for anything any more because all I do is sit there like a frog on a lily pad wasting my energy for someone else who is suppose to be going to it. me and Tommy's friendship is over now and he is probably thinking of forgetting about me or already has and is putting this off on any one he can especially me. you know when it comes to doing or facing time its time to forget friends too. that is what he has done to me, me like people say I don't know wrong from right is bullshit except for one thing I will say I am stupid and dumb for doing and didn't know I was doing it that is confessing to some thing I didn't do or know anything about. I have had enough life since 16 years old and it seems like its getting worse out and over with too. It doesn't matter to me if no one believes anything I say to her and prove my innocence any more as long as 2 people know I am. That's the man upstairs told me that is all

that matter to me. There is something I have stuck with all my life till the day I die that is I was born a happy person and I will die a happy person because no one can destroy my soul it will stay in heaven because we know I didn't do this time. God and Jesus Christ is the only friends I want to see ever again in my life. I don't want to go to a prison to just eat, sleep, shit, read that is a no name life if I do get sent to one I will find the quickest and fastest way to kill myself or have someone do it. I have been thinking of dying ever since I seen my mother die and I was the only one ever to see her die in my whole family believe me George it really hurt my mind, memory, and me. I can't even remember what I said on that video tape. I don't even know how the innocent guy pleads to a crime he hasn't involved himself in and has no way to prove his innocence so I guess its just let one live to let one die. To die is the easiest and only thing a man or woman has to do in their life is die and I believe that to death means nothing to me George because I know I will see it sooner or later and if God says its time for me to go I will go I will never give upon God because he will never give upon me. George this is just my true words and feelings for myselfs life. no one sees me blaming innocent people for this like Tommy. Lying on people isn't my way

out of things God is my way out because he leads my  
life not me. he put me here on Earth he will take  
me away when my time has come. I would plead  
guilty to this crime but where in the hell will I  
find a story true to prove it. There isn't one be-  
cause I am innocent

### JUST A WET DREAM

ME AND A FRIEND OF MINE WAS FIGHTING A HARD CASE AND DIDNT KNOW WHAT WAS GOING ON EITHER BUT WE WERE OUT ON BOND SO WE WENT TO THIS BAR CALLED B-POE OUT NORTH OF TOWN JUST FOR A DRINK. THEN WE ASK THESE FOXY CHICKS IF THEY WANTED TO GO BACK IN THE BACK OF THE BAR AND GET SOME THING TO EAT BEFORE WE START PARTHINA HARD. SO THE FRIEND OF MINE TOOK THE GIRLS TO GET SOME-THING TO EAT I TOLD THEM I WAS GOING BEHIND THE BAR ROOM COUNTER FROM BEHIND TO BUY A PACK OF CIGARETT OUT OF A CIGARETTES MACHINE I LOOKED IN MY POCKET TO SEE IF I HAD ENOUGH CHANGE TO BUY THEM. I DIDND HAVE EN-OUGH CHANGE TO BUY THEM SO I WEND AROUND TO THE FRONT OF THE BAR TO GET SOME MORE CHANGE SHE SAID I COULD PAY FOR THEM THERE AT THE BAR SO I DID SHE TOOK THE CHANGE I STARTED OFF WITH AND TIPPED ME THE REST I RE-ALLY LIKED THAT SO I PAID FOR THEM THEN WENT TO THE TABLE MY FRIEND AND THE GIRLS WERE WAITING ON ME SO I SAT DOWN THEY HAD ALREADY MET ANOTHER GUY AND WAS DRINKING WITH THEM THEY INTRODUCED ME TO HIM HE SAID HE WAS A JUDGE AND IF I TOLD HIM WHAT THE CASE WAS HE PROBABLY COULD HELP ME SO I TOLD HIM WHAT IT WAS I WAS CHAR-RED WITH. HE TOLD ME WHAT TO DO FOR HIM AND HE WOULD SEE TO IT THAT I WOULDNT GET THE DEATH PENALTY. THE GUY WAS A PEMP FOR THESE GIRLS AND HE SAID IF WE COULD SATIS-fy his GIRLS HE WOULD HELP US. THE GIRL I HAD SAD SHE WO-ULD BE BACK IN A FEW MINUTES. THEN I ASK HER WHERE SHE WAS GOING, AND SHE SAID TO THE LADYS ROOM DO YOU WANT TO COME HOLD MY HAND WHILE I USE THE REST ROOM AND

I SAID NO, THAT I DID WANT TO COME WITH HER NOT TO HOLD HER HAND, THEN SHE SAID IN THE RESTROOM, DO YOU WANT TO FEEL MY PUSSY, AND I SAID NO, I WANT TO FUCK YOU, THEN SHE STRIPPED DOWN TO NOTHING ON BOY DID MY DICK START TO GROW BIGGER THAN EVER IT WAS SO BIG IT STARTED THROBING TO GROW BIGGER THEN THATS WHEN I LET HER HAVE IT ALL GOOD, I TOLD HER TO STAY ON THE TOILET JUST TO RAISE UP A LITTLE SO I COULD GET MY LEGS UNDER HERS, SO SHE DID THEN I TOLD HER TO SPREAD HER LEGS AS FAR APART AS SHE COULD THEN I LET HER LEGS REST ON MY KNEES, THEN I PUT IT IN HER HARD AND DIDNT STOP TILL THE OTHER GIRL CAME TO SEE ABOUT HER, SHE SAID THE OTHER FRIEND OF MINE DIDNT HAVE ONE LONG AND BIG ENOUGH SO I PUT HER ON THE TOILET THEN FUCKED HER HARDER THE SECOND GO ROUND THAN THE FIRST THE ONLY THING THEY BOTH SAID WHEN WE WERE THERE WAS THAT THE JUDGE THE (PIMP) SAID I MADE ONE TURN RED AND THAT THEY SAID TO THE JUDGE (YOU SHOULD LET HIM OFF THE HOOK AND GO FREE AND WILD TO PLEASE MORE WHORES LIKE I DID THEM, I DIDNT HAVE TO PAY THEM BECAUSE HE WANTED THEM OFF HIS DICK AND ON ONE THAT WOULD SATISFY THEM BOTH, ALL I REMEMBER IS WAKING UP WITH A BIG HARD ON AND COULDNT PISS BECAUSE IT WAS STIFF AS A TWO BY FOUR

P.S I DONT KNOW WHO THEY ARE BUT IF YOU EVER HAVE A CRAMP ON YOU GO SEE THE JUDGE (THE PIMP)
